volunteer
becomes a
Purfect piece
of the puzzle

Felines 1st Our vision and aims

Our vision is to work towards a society where no cat is left alone or vulnerable and all cats are treated with compassion, kindness and care. Felines 1st is striving for no cat in the Surrey/Sussex area to be left behind, forgotten or abandoned when in need.

Our aims are to ensure the welfare of cats, this is achieved by:

- Rescuing cats that are in need, alone or vulnerable
- Reuniting cats with their owners
- Rehoming cats that have been rescued or are no longer wanted
- Trapping, neutering and releasing of feral cats
- Promoting wider education of cat welfare within the Surrey/Sussex area
- Promoting the neutering of cats

Fundraising Volunteers

Do you love cats, enjoy meeting people and being part of a team? As a charity we rely on income given by generous donators and our own fund raising. Our fund raisers are the backbone of the charity raising vital funds needed to pay for veterinary bills, food, litter, which supports our feline friends in all aspects of their care and needs.

Fundraising volunteers help plan and deliver exciting and varied fundraising events, from car boot sales, craft fairs, pub quizzes, live auctions, and sponsored events- the only limit is our imagination!

What you will do:

- Help organise and take part in fundraising events in your local area and support the fundraising officer.
- Share fundraising ideas with other volunteers and help put these into practice.
- Promote the professional image of Felines 1st.

You will need to have:

- Enthusiasm and willingness to work as part of a team.
- Excellent communication and people skills.
- Own transport will be an advantage.

All our volunteers have the full support of our trustees and committee. To ensure our volunteers are happy and confident in their roles, we give full training, and provide continuous support and guidance.

What are the benefits all round? You will develop new skills, expand your knowledge, make new friends, become part of a dedicated group of volunteers and make a great and vital contribution to changing the lives of homeless and vulnerable cats.
